

Connecting Investors with Startups

Follow us on

Hi {{ contact.FIRSTNAME }},

Today, we are showcasing three companies that we have enjoyed getting to know, and we believe they have great potential for the future. They are:

1. **FANALYZE**, a sports search engine and analysis platform to introduce better and straight forward approach to sports search results in speeding up your fantasy sports and sports betting analysis
2. **Ride**, an aggregator platform for auto-rickshaws and e-Rickshaws
3. **Civilized Software**, builds products at the intersection of AI and entertainment. Our vision is a future where erotica is accessible to everyone, regardless of gender or sexual orientation

Please check out their profiles and our one-on-one interviews with the founders below. If you would like to get in touch with these amazing founders, please reply to this email and we will be happy to make an introduction.

We are also taking this opportunity to highlight one of our favorite investors and [Vice President Business at Republic, Shrina Kurani](#). In his interview, Shrina shares very important lessons for founders who are fundraising. Please check out his interview on our investors' page.

## Featured Investor

**Shrina Kurani**

Vice President Business at Republic

**Republic**

## Vice President, Business at Republic

Shrina is Vice President at Republic and the Executive Director for Republic Cities and Communities. She's a mechanical engineer by training and loves building the entrepreneurial tech community the same way she builds machines: with a robust foundation and strong purpose.

She has worked with government projects and startups from London to the Himalayas, Shrina started her engineering career with projects for NASA and the Southern California Gas Company, and prior to Republic, she helped start three companies with one recent exit.

Most recently, Shrina was on the investment team at Better Ventures, focused on deal sourcing and raising their third fund. She is a fierce believer in the power of innovation to solve the world's most pressing problems, and enthusiastic about seeking out and supporting ideas to make them successful.

**Debkanchan Samadder**  
CEO of Ride

### [Ride](#)

#### Aggregator Platform for Auto-Rickshaws and e-Rickshaws

Ride is an aggregator platform for auto-rickshaws and e-Rickshaws. There are 170 Million people hailing rickshaws every day but most of them have 2 common pain points- Lack of availability and Refusals. So we sought out to solve that problem and bridge the information gap between users and drivers.
